

## **Requesting EOI for Conducting EAC & FDP**

Gujarat has always been a perennial source of entrepreneurs fostering the economic growth of the State. Having realized the potential of contribution of knowledge intensive entrepreneurship to nation's economy; GSBTM had initiated Entrepreneurship development regime since 2007 and had started making efforts to bring in the fold of Biotech industry, Entrepreneurs engaged in diverse Businesses of Chemicals, Pharmaceuticals, Agro, etc. as also Researchers having technologies for commercialization, Industry professionals having experience & know-how of Industry dynamics and/or similar individuals wanting to explore biotechnology based entrepreneurship in the State.

With a view to create awareness among faculty and students of Science & Technology Institutes about various facets of entrepreneurship as an alternative career option an '**Entrepreneurship Awareness Camp**' & '**Faculty Development Programme**' are conceptualized at various places across the state.

This programme is sponsored by Department of Science & Technology, Govt. of India, through its' nodal agency Entrepreneurship Development Institute of India (EDII), Ahmedabad.

For detailed programme structure and financials, click on the respective programme indicated below:
