Plans for next academic year...?

- Next Academic year-2 lecture /month in weekend and 2 test/month in weekend alternatively.
- Possibly, invite successful candidates, i.e. current students who are pursuing M.Sc. Biotechnology through JNU/IISc for interaction with students.
- It may be also needed to arrange brain storming lecturers in the beginning of workshop .
- From next academic year it may also possible to invite experts from JNU Delhi or other affiliated Universities to interact with students as well as experts through the state for their update as well as right methodology for preparation.
