

Biotechnology Policy Input Form

Academicians/Researchers
Gujarat State Biotechnology Mission
Department of Science and Technology
Government of Gujarat

Gujarat State Biotechnology Mission is a state nodal agency for developing biotechnology in the state since 2004. It has developed and implemented Biotechnology policy for the state which was effective from 2007-2012. State is gearing for the preparation of new policy and lot has changed in biotechnology now. State with around 40 biotechnology companies in 2005 has more than 150 companies with ranking 3rd largest state in biotechnology turnover so has been exponential growth of biotechnology education and research. Being one of the important stakeholders of Biotechnology GSBTM would like to have inputs from you for framing the new policy for the state.

Sr No	Particulars		
1	Name:		
2	Department/College:		
3	University:		
4	Official Address:		
5	Mobile No:		Email:
6	Areas of Specialisation:		
7	Experience Till Date:yrs in Teaching	yrs in Research
8	No of Publications: International	 National
9	Details of the research grants.		
		No of Projects	Total Grants in Lacs
	International funding agency		
	National Funding Agency		
	State Funding Agency		
	Industry Projects		
10	Ph. D.	Completed:	Enrolled:
			Vacant:

Policy Inputs	
Human Resource Development	
New Courses/ Establishing hands-on/ skill development centre for different levels and cadre	
Strengthening educational infrastructure	
Focus area for HRD	
Quality Certification/ Syllabus Uniformity	
Schemes for Industries participation for HRD	
Establishing finishing schools/ anchor institutes	
Any Other Input	

Research & Innovation	
Research grants for research projects	
Instrumentation grants	
Scientific building grant	
Grants for scientific library services/ Support for Publication Fees	
Research fellowships	
Grants for umbrella programs and strategic mission programs	

Benchmark research centres and CoE in the state	
Grant for research training programs for faculties and students	
Grants for research mentoring programs/ Networking/ Travel fellowships	
Collaborative programs and Scientific Chairs	
Research Focus Areas	Basic Research:
	Applied Research:
Any other comments	

Technology Management/ product development / Entrepreneurship/ Business

Technology Transfer	
Incubation Facilities/ Technology Development Centres/ Proof of Concept Facilities	
Research support to Industries	
Entrepreneurship: Venture Support / Business Guidance/ Export Promotion	

Biotechnology Awareness & Consensus building

Support for establish centre for biotechnology communication/ District biotech information centres	
Support for conferences, seminars, symposia and awareness / Consensus building programs	

Communicator awards for taking biotechnology to public	
Biotech Regulations and Bio-ethics	
GM Testing/ Field Trials/ Transgenics	
Biotech Regulation/ Biosafety	
Any other comments
